TRACK 10

Ode To Liberty

Double SATB Choir, narrator, soprano descant with piano, flute, tympani, and trumpets.

A majestic and inspiring arrangement of *My Country 'Tis of Thee,* for SATB antiphonal choirs. Bi-tonality, assymetrical meters, and new text bring color and vitality to this American classic. Narrator and antiphonal choir speak twice in the opening section with quotes from the Constitution Preamble and the Gettysburg Address. Each stanza receives a different treatment—a quiet chorale, a soaring soprano descant, and the last stanza noble and strong. Suitable for college/university, advanced high school, and large church choirs.
